

KAESLER

2010 Alte Reben Mataro

Grape Variety: 100% Mataro (Mourvedre)

Vineyard Soils: Loam / clay (Nuriootpa)

Vine Age: Mataro planted 1930

GI: Barossa Valley

Summary:

Alte Reben is German for “old vines” – and the Kaesler Mataro vines are some of the oldest remaining in the Barossa Valley. At Kaesler, we usually blend the Mataro with Grenache and Shiraz – however in exceptional years the Mataro can shine all on its own.

Vinification:

Fruit was hand-picked then fermented with 10% whole bunches and stalks. Wine was pumped over each morning then hand ramed three times per day. Skins were hand pressed with all the pressings added back in to the blend. Matured for two years in older oak. No fining or filtration.

ALC 15.0 % **pH** 3.62 **TA** 5.67 g/l

Tasting Note:

Colour: Garnet red.

Nose: Blackberries and mulberries with hints of orange rind and dark chocolate.

Palate: You can taste some of the oak and youthful tannin, chalky and raw, yet elegant.

Notes: Medium term cellaring 5-8 years.

2010 Vintage
